CERTIFICATION LEVEL REQUIREMENTS

Locksmith Certifications

CRL Level:

This is the entry level certification for locksmith professionals. This requires passing the Mandatory Exam as well as 2 elective exams.

CPL Level:

Once achieving the CRL level, this second step in certification requires passing an additional 12 electives.

CML Level:

This is the top level of the general locksmithing category. After achieving the CPL certification, this requires passing an additional 9 electives.

Safe and Vault Certifications

CPS Level:

This is the entry level test for the Safe and Vault technician.

CMST Level:

Once achieving the CPS level, this is the top level of certification for the Safe and Vault category

Automotive Certifications

CAL Level:

The entry level certification for the Automotive Specialist.

CMAL Level:

After attaining the CAL level, this is the top level certification for the Auto Professional.

Institutional Locksmith Certifications

ICRL Level:

This is the entry level certification for locksmith professionals. This requires passing the Mandatory Exam as well as 2 elective exams, Life Safety Code and Basic Electricity.

ICPL Level:

Once achieving the CRL level, this second step in certification requires passing an additional 12 electives.

ICML Level:

This is the top level of the general locksmithing category. After achieving the CPL certification, this requires passing an additional 9 electives.

CILM Level:

This is a credential specifically for the Institutional Lockshop Manager. Candidate must achieve the ICPL level before sitting for this exam.

Electronic Locksmithing Certifications

CEL Level:

Entry level certification for the security professional that services the electronic security needs of the public.

CMEL Level:

After receiving the CEL credential, this is the highest level certification for the Electronic Locksmith.

Forensic / Investigative Certifications

CFL (Auto, General, Safe/Vault):

The CFL testing is by appointment only. There is a list of prerequisites that must be met and approved by the IAIL Advisory Committee before a sitting can be scheduled. The credential requires passing the Mandatory Test for the CFL as well as an elective specific to the field one wishes to specialize.
