To our Yankee Security Convention Community,

The Yankee Security Convention will not be held in 2020. Out of an abundance of caution, and concern for our attendees, exhibitors, instructors, and staff, we have made the difficult decision to cancel the 2020 Convention. We look forward to welcoming everyone next year. The 2021 Yankee Security Convention will be held on October 20-24, 2021 at the MassMutual Convention Center in Springfield, Massachusetts.

All exhibitors have the option of using their booth payments toward the 2021 event or receiving a full refund. Booth prices for the 2021 Convention will stay the same for exhibitors that have already reserved space. If you have any questions or concerns, please contact us at info@yankeesecurity.org.

We wish everyone in our Yankee Community good health,

The Board of Directors
