April 22<sup>th</sup> 2021

To our Yankee Security Convention Community,

***The Yankee Security Convention at the Mass Mutual Center will not be held in person for 2021.*** We are currently looking into virtual options and will keep you advised of the progress.

The Board of Directors carefully reviewed the Covid 19 situation. Current Massachusetts restrictions do not allow for an event of our size. Some of our key educators and exhibitors are under corporate travel restrictions. While we can't know what will be allowed in October, we prefer to err on the side of caution and concern for our attendees, exhibitors, instructors, and staff.

We look forward to welcoming everyone next year. ***The 2022 Yankee Security Convention will be held on October 19-23, 2022 at the MassMutual Convention Center in Springfield, Massachusetts.***

All exhibitors who have paid for their booths and not received a refund, have the option of using their booth payments toward the 2022 event or receiving a full refund. Booth prices for the 2022 Convention will stay the same for exhibitors that have already reserved space. If you have any questions or concerns, please contact us at [info@yankeesecurity.org](mailto:info@yankeesecurity.org).

We wish everyone in our Yankee Community good health,

The Board of Directors

Yankee Security Convention
