About Yankee Security Convention

Yankee Security Convention, Inc., is a not-for-profit trade organization, formed in 1978 by a group of New England locksmiths. Through their dedication to the industry and a keen understanding that the region needed a venue to highlight the advancement of the trade, the first show was successfully held in Chicopee, MA.

The organization is run by a volunteer Board of Directors. The proceeds from the Convention help fund scholarships for Locksmiths and their families to further the trade throughout New England.

Trade show registration is free if you register before October 7, 2023, after which it is \$15 per person. Please visit www.yankeesecurity.org to register for classes and the trade show. Note that classes sell out early so act now to secure your spot.
