Yankee Security Convention Introduces Four New Educational Tracks for Industry 2023 Show

September 6, 2023 - East Hartford, CT - Yankee Security Convention, a 501C3 charitable organization committed to the promotion and further education of the locksmith and security industry is proud to announce four new educational tracks as part of the 2023 Yankee Security Convention event.

Targeting attendees looking for industry training in **Basic & Mechanical Locksmithing, Access Control, Automotive, and Safes**, the four new tracks will have dedicated courses so that students can train in a specific area.

Courses range from providing the fundamentals of locksmithing to developing specific expertise in a particular manufactured product. The curriculum runs for three full days, and two evenings plus a special Saturday morning panel discussion sponsored by Allegion, and led by industry guru, Lori Green of "I Dig Hardware."

Students are encouraged to choose the courses that will best expand their knowledge and expertise. A chart explaining the Educational Tracks is available on the Yankee website and by clicking the link [here](#). A full list of courses and instructors is also available in the [Show Brochure](#).

Registration officially opened August 1, 2023, and interested attendees are encouraged to sign up as early as possible so as not to be shut out of the most popular classes. Trade show registration is free if you register before October 7, 2023, after which it is \$15 per person. For more on these courses and to register for the show, [click here](#), or visit www.yankeesecurity.org or by contacting info@yankeesecurity.org.

About Yankee Security Convention

Yankee Security Convention, Inc., is a not-for-profit trade organization, formed in 1978 by a group of New England locksmiths. Through their dedication to the industry and a keen understanding that the region needed a venue to showcase the advancement of the trade, the first show was successfully held in Chicopee, MA. The organization is run by a volunteer Board of Directors. The proceeds from the Convention help fund scholarships for Locksmiths and their families to further the trade throughout New England.
