2024: SECURING THE FUTURE

BLOG: September 2024

The Power of Promotion:

How Exhibitors Can Attract Attendees Pre-Show at the 2024 Yankee Security Convention

At the Yankee Security Convention, we know the power of collaboration. Our exhibitors are crucial to our success, and by promoting the convention to your customers, you not only strengthen the event but also enhance your brand visibility and deepen customer engagement. This year, with the theme “**Secure the Future**” for our **44th Annual Yankee Security Convention**, we’re excited to help you make this the best year yet.

In this blog, we’ll provide strategies to boost your exhibitor experience and promote the 2024 event to ensure success for both you and your customers.

1. Collaborative Promotion: A Win-Win Opportunity

The Yankee Security Convention is a platform for **innovation, networking, and business growth**. By teaming up with us to spread the word about **YSC 2024**, you’ll gain:

- **Enhanced Visibility:** Position your company as a leader by promoting the convention and highlighting your involvement in securing the future of the security industry.
- **Strengthened Customer Relationships:** Engage with your customers on a deeper level by informing them about industry trends and solutions they’ll find at the convention.

2024: SECURING THE FUTURE

- **Increased Sales Opportunities:** Attendees will discover new technologies, potentially leading to more interest in your products or services.

2. Leverage Your Social Media Channels

Social media is a powerful tool for connecting with your audience. Post regularly about the convention, highlight your booth, and use hashtags like **#YankeeSecurityConvention** and **#SecureTheFuture** to capture attention.

Tag us with #YSC2024, and our marketing team will reshare your posts, expanding your reach!

3. Showcase Your Expertise

As an industry expert, create blog posts or articles about key security trends and mention your participation at **YSC 2024**. This will position you as a thought leader and drive more attendees to your booth.

Want more exposure? Sign up for our **Demo Zone**, a feature where exhibitors get a 20–30 minute slot to demonstrate their product or service right near the show floor. Email **info@yankeesecurity.org** for more information.

4. Engage with Multimedia

Take advantage of multimedia content. Create videos, podcasts, or even a **Facebook LIVE** event to showcase your products and expertise before and during the convention. Share this content across platforms for maximum visibility.

5. Collaborate on Joint Campaigns

Work with us on joint marketing campaigns! Whether it's **social media posts, webinars, or blog articles**, we can collaborate on content that resonates with your customers and brings more attention to your brand.

Contact our marketing team at Andrea@crystalvisionmarketing.com or Jodi@crystalvisionmarketing.com to brainstorm ideas.

6. Encourage Customer Referrals

Invite your customers to bring colleagues and peers to the convention. Offer a special giveaway for existing clients who refer new attendees, enhancing engagement and participation.

7. Use Email & Your Website to Promote Your Involvement

Promote **YSC 2024** through your email signature and website. Include a **registration link** or **QR code** for easy sign-up, and share show details with your clients.

8. Measuring the Impact of Your Efforts

Track customer engagement, measure leads and referrals, and create follow-up processes to maximize your trade show success. This will provide valuable insights and help you plan for future events.
