About Yankee Security Convention

Yankee Security Convention, Inc., is a not-for-profit trade organization, formed in 1978 by a group of New England locksmiths. Through their dedication to industry and a keen understanding that the region needed a venue to showcase the advancement of the trade, the first show was successfully held in Chicopee, MA. A volunteer Board of Directors runs the organization. The proceeds from the Convention help fund scholarships for Locksmiths and their families to further the trade throughout New England.
