About Yankee Security Convention

Yankee Security Convention, Inc., is a not-for-profit trade organization, formed in 1978 by a group of New England locksmiths. Through their dedication to the industry and a keen understanding that the region needed a venue to highlight the advancement of the trade, the first show was successfully held in Chicopee, MA.

The organization is run by a volunteer Board of Directors. The proceeds from the Convention help fund scholarships for Locksmiths and their families to further the trade throughout New England.
